Head First Ajax Rebecca M. Riordan

Ajax is no longer an experimental approach to website development, but the key to building browser-based applications that form the cornerstone of Web 2.0. *Head First Ajax* gives you an up-to-date perspective that lets you see exactly what you can do—and has been done—with Ajax. With it, you get a highly practical, in-depth, and mature view of what is now a mature development approach.

Using the unique and highly effective visual format that has turned Head First titles into runaway bestsellers, this book offers a big picture overview to introduce Ajax, and then explores the use of individual Ajax components—including the JavaScript event model, DOM, XML, JSON, and more—as it progresses. You'll find plenty of sample applications that illustrate the concepts, along with exercises, quizzes, and other interactive features to help you retain what you've learned.

Head First Ajax covers:

- The JavaScript event model
- Making Ajax requests with XMLHttpRequest objects
- The asynchronous application model
- The Document Object Model (DOM)
- Manipulating the DOM in JavaScript
- Controlling the browser with the Browser Object Model
- XHTML Forms
- POST Requests
- XML Syntax and the XML DOM tree
- XML Requests & Responses
- JSON -- an alternative to XML
- Ajax architecture & patterns
- The Prototype Library

The book also discusses the server-side implications of building Ajax applications, and uses a "black box" approach to server-side components.

Head First Ajax is the ideal guide for experienced web developers comfortable with scripting—particularly those who have completed the exercises in *Head First JavaScript*—and for experienced programmers in Java, PHP, and C# who want to learn client-side programming.

From reader reviews:

Christina Love:

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to be aware of everything in the world. Each publication has different aim or perhaps goal; it means that guide has different type. Some people experience enjoy to spend their time for you to read a book. They may be reading whatever they acquire because their hobby is usually reading a book. What about the person who don't like examining a book? Sometime, man or woman feel need book if they found difficult problem or even exercise. Well, probably you will want this Head First Ajax.

Maryann Goldberg:

Hey guys, do you desires to finds a new book to study? May be the book with the headline Head First Ajax suitable to you? Often the book was written by well-known writer in this era. The book untitled Head First Ajax is the main one of several books that will everyone read now. That book was inspired a number of people in the world. When you read this guide you will enter the new shape that you ever know ahead of. The author explained their plan in the simple way, therefore all of people can easily to understand the core of this book. This book will give you a wide range of information about this world now. So that you can see the represented of the world on this book.

Fanny Rutledge:

This Head First Ajax is brand-new way for you who has intense curiosity to look for some information mainly because it relief your hunger of knowledge. Getting deeper you in it getting knowledge more you know otherwise you who still having little digest in reading this Head First Ajax can be the light food for yourself because the information inside this specific book is easy to get through anyone. These books produce itself in the form that is reachable by anyone, yeah I mean in the e-book contact form. People who think that in e-book form make them feel drowsy even dizzy this reserve is the answer. So there isn't any in reading a publication especially this one. You can find actually looking for. It should be here for an individual. So , don't miss this! Just read this e-book type for your better life along with knowledge.

Randall Rearick:

As a student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Head First Ajax can make you really feel more interested to read.
