## **O lado oculto da Transição Planetária (Portuguese Edition)** Wanderley Oliveira

Você já se perguntou o que acontece no astral da Terra nesse momento em que transitamos para o período de regeneração? Em “O lado oculto da Transição Planetária”, a ser lançado no mês de novembro, Maria Modesto Cravo aborda os bastidores da transição com casos dos planos físico e espiritual.

Bilhões de almas no planeta, seja no corpo físico ou fora dele, clamam por esperança e paz. A vida astral padece de nutrição, orientação, socorro, acolhimento e alívio.

O submundo já não se comporta nas regiões subcrostais da Terra e se transpôs para as avenidas e escolas, prisões e templos, barracos e mansões, instituições e centros de lazer. O inferno literalmente se deslocou para o solo terreno.

Por conta dessa carga vibratória ignorada pelo homem mentalmente dominado pelo materialismo, pesa sobre a economia das nações em desenvolvimento um ônus que não é apresentado nos tribunais do mundo e nem nos projetos de assistência social dos órgãos públicos.

O chamado de Jesus pede nossa participação.

Estendamos nossa rede de luz e socorro nesse momento tão decisivo de nossa casa planetária. Afinal, é impossível a regeneração do planeta sem a limpeza do submundo astral, onde ainda se encontram as raízes de toda a maldade e de todos os problemas da Terra, em todos os tempos de sua história.
