The first book to tell the complete story of Rushmore.

*The Carving of Mount Rushmore* tells the complete story of the largest and certainly the most spectacular sculpture in existence. More than 60 black-and-white photographs offer unique views of this gargantuan effort, and author Rex Alan Smith—a man born and raised within sight of Rushmore—recounts with the sensitivity of a native son the ongoing struggles of sculptor Gutzon Borglum and his workers.
