The Elephant and the Bee Jess de Boer

As a child, young Kenyan Jess de Boer knew that one day she would save the world. Leaving behind the comfort of home she sets out to make her dream a reality. Many continents, adventures and a few hilarious mishaps later, Jess returns to Africa to dedicate herself to a new passion – beekeeping.

Follow the beautifully illustrated misadventures of a young, modern-day explorer as she tackles the enormous challenges of aid in Africa, environmental concerns and conservation issues – often with humorous and dramatic results.

While saving the world isn't as easy as it seems, we can make a positive change, one little bee at a time!
